Think about what actions in the building the staff could take, brainstorm ideas.

*Something easy to get things off the ground is use the CAT to get everyone to wear red on Friday. How about increasing meeting attendance at the next union meeting?*

Use this to get started and then think of other activities.

<td>CAT members reach out, face to face and via text and/or email to inform the people on their list about wearing red on Friday and why.</td>
<td>Members are wearing red. Go through your list, did everyone on your list wear red? Follow up with those that didn’t, remind them about it for next week.</td>
