Library Databases

These library databases are provided by Chicago Public Schools for all students, teachers, and administrators in the district. You can find them all by visiting library.cps.edu/databases on any device. The databases can be used both at school and at home and are accessed with a special password login. View the [Library Databases Passwords document](#) to learn how to log-in. This document is also available in [Spanish](#).

[Access the full list of CPS databases.](#)

Kindergarten through 3rd Grade:

Kids InfoBits: Kids InfoBits is a K-5 digital resource providing information on kid-friendly topics. Includes links to images and videos.

PebbleGo: PebbleGo is a curriculum-connected research database specifically designed for K-3 students. It contains informational articles, ready-made activities, and literacy support for students of all abilities.

PebbleGo Spanish: With expertly translated versions of PebbleGo articles that include authentic Spanish read-aloud audio recorded by professional voice-over artists, students can easily switch between English and Spanish versions with a click of a button.

BrainPOP Jr., BrainPOP ELL and BrainPOP Español: Fun educational videos and learning activities for young students, in English and Spanish. Visit www.brainpop.com, click Log In, and enter the following username and password.

Username: chicagopublicschools

Password: cps123

4th through 8th Grade:

Gale in Context: Middle School: Access continuously updated reference content with full-text magazines, academic journals, news articles, primary source documents, images, videos, audio files and links to vetted websites for middle school students.

Britannica: Online Encyclopedia for K-12 that offers thousands of up-to-date, curated, and curriculum-relevant articles, images, videos, audio clips, primary sources, maps, and research tools.

Escolar: Spanish Reference for Grades K-8 with accurate and age-appropriate content in Spanish. Britannica Escolar's new features make it more valuable than ever for native Spanish speakers and bilingual students.

BrainPOP, BrainPOP ELL and BrainPOP Español: Fun educational videos and learning activities for young students, in English and Spanish. Visit www.brainpop.com, click Log In, and enter the following username and password.

Username: chicagopublicschools

Password: cps123

9th through 12th Grade:

Gale in Context: High School: A fully integrated database for high school containing thousands of curriculum-targeted primary documents, biographies, essays, critical analyses, full-text coverage of over 1,000 magazines, newspapers, photographs, illustrations, and audio.

Gale in Context: World History: An engaging online experience for those seeking contextual information on hundreds of the most significant people, events and topics in World History.

Moderna Spanish: Spanish Reference for High School students and Adults with more than 47,000 articles, 8,000 images, a dictionary, and an atlas, making it a valuable resource for native Spanish speakers and bilingual students.
