

Get your school's Safety Committee up and running!

There's a looming possibility that we might not have an agreement in place prior to the opening of district-run school buildings this fall. If that's the case, it's all the more critical that your school's Safety Committee is up and running on Day One.

Join current Safety Committee members and CTU staff to discuss how to effectively use these school-level teams to address members' needs.

Join Safety Committee members and CTU staff for a virtual meeting to discuss how to effectively use these school-level teams to address members' needs.

UPCOMING SESSIONS

Thursday, August 26, 5-6pm

Thursday, September 2, 5-6pm

Wednesday, September 8, 5-6pm
