Q9. [SSC: SERVICE/RESULTS]

Now I am going to read you some statements about the candidates for Congress. **[RANDOMIZE]**

[RAMIREZ] State Representative Delia Ramirez has dedicated her life to getting results for working families. The daughter of immigrants who worked minimum wage jobs their whole lives, Delia knows how hard it is to make ends meet. As the director of a community shelter, she helped thousands of families find jobs and housing; as State Representative, she led the fights to expand healthcare coverage to seniors regardless of immigration status, provide emergency rental and mortgage relief, and restore an elected school board to Chicago. In Congress, Delia will continue to get results—fighting for Medicare for All, a Green New Deal, and un-rigging the economy. (105 words)

[VILLEGAS] Born and raised in Chicago, Alderman Gil Villegas is a proud veteran of the Marines and a longtime union organizer. As Alderman, Gil has led efforts to pass America’s largest universal basic income pilot, create thousands of good-paying jobs and secure more police officers, tougher gun laws, and community investment. In Congress, Gil will support cancelling student loan debt, bringing down the cost of living for working families, and continuing his work helping veterans. At a time when America faces crises at home and abroad, Gil has the experience we need. (91 words)

Q10. [SSD: SOFT CONTRAST/ TAKING ON THE POWERFUL/RIGGED ECONOMY]

Now I am going to read you some statements about the candidates for Congress. **[RANDOMIZE]**

[RAMIREZ] State Representative Delia Ramirez has dedicated her life to serving others. The daughter of immigrants who worked minimum wage jobs their whole lives, Delia knows that the economy is rigged against working people. She’s taken on powerful special interests in Springfield—like developers and insurance companies—to champion affordable housing legislation, expand healthcare coverage for seniors, and establish an elected Chicago school board. She’s the only candidate with a track record of rejecting corporate campaign contributions because we need elected officials who work for us—not the billionaires. In Congress, Delia will fight for Medicare for All, a Green New Deal, and un-rigging the economy. (105 words)

- k. **[PUBLIC SAFETY]** We all want neighborhoods where our children can play outside safely. Delia is an expert in community safety. She has led local non-profits that bring investment to our neighborhoods and our young people through after school programs, restorative justice, and living wage jobs, which reduce violence and help bring peace to our streets, and she will continue to do so in Washington. We must address the root causes of crime. (72 words)

a. **SSA: [CARES ACT MONEY TO POLICE OVER OTHER SERVICES - MLL FLOOR LEADER]** As Mayor Lightfoot’s floor leader on City Council, Gil Villegas gave the mayor sole power over federal COVID relief money—resulting in \$280 million to the Chicago Police, while the departments of Public Health, Emergency Management, Family and Support Services, the Office for People with Disabilities combined received less than 10% of the funds. Instead of helping workers, families, seniors, and people with disabilities, Gil served his powerful allies and padded their already bloated budgets. (74 words)

c. **[RUBBER STAMP]** Gil Villegas voted with Rahm Emanuel over 98% of the time, including the biggest property tax increase in Chicago history, and now he serves as a rubber stamp for Lori Lightfoot, too. As Mayor Lightfoot’s floor leader on the Council, Villegas spearheaded Lightfoot’s budget that increased our property taxes by \$94 million, while squashing legislation that would have taxed Amazon’s record corporate profits instead. The legislation Gil killed would have funded violence prevention services and youth employment. (77 words)

- d. **[LINCOLN YARDS]** Gil Villegas works for his wealthy donors, the developers and special interests, not hard-working families. Villegas voted for a \$900 million tax giveaway for the Lincoln Yards development, taking money away from schools, parks, and firefighters and giving it instead to mega-developer Sterling Bay. We deserve someone who will actually work for affordable housing, good schools and paid family and medical leave. Gil only pretends to. (68 words)

- e. **SSA: [LOBBYIST]** Electing Gil Villegas would literally be electing a corrupt Chicago Alderman to Congress. Gil partially owns the lobbying firm Stratagem Consulting Group, which is a conflict of interest since he is a powerful politician. His company also lobbied for ComEd, the energy company that had to pay over \$200 million for its illegal corrupt lobbying of Springfield politicians, including its illegal deals with Michael Madigan. Illinois simply deserves better than having a corrupt lobbyist representing them in Washington. (77 words)

Gil opposes this transparency because he is owned by companies like ComEd, Uber, and mega-developer Sterling Bay. Illinois’ next representative should be someone serious about transparency. Gil Villegas is just a spineless corporate lobbyist. (61 words)

He accepted over \$30,000 in campaign contributions from his mentor, disgraced former State Representative Luis Arroyo Sr., who has been indicted on multiple charges of bribery and corruption. Just like Arroyo, Gil is a lobbyist who works for the companies that put him on contract—not the people he is supposed to serve. i. **[PROPERTY TAXES]** Alderman Gil Villegas helped Rahm Emanuel push through a \$700 million property tax increase—the biggest property tax increase in recent Chicago history. He did it again for Lori Lightfoot, raising our property taxes by \$94 million even when alternative policies, like taxing Amazon's profits, were on the table. From red light cameras—which Gil approved—to property tax hikes, Gil is just another corporate lobbyist who's out to nickel-and-dime working families. (72 words)

He voted to increase taxpayer funding for the Chicago Police’s advertising budget instead of increasing funding for mental health services and violence prevention. Q14.SSA: And one last statement, this one about Delia Ramirez again. Please tell me, assuming it is true, whether it raises SERIOUS doubts, SOME doubts, MINOR doubts, or NO REAL doubts in your mind about Delia Ramirez. If you don't know how you feel about the item, just say so.

[TOO LIBERAL- W/ FLAG] Delia Ramirez is way too liberal. Her campaign is being run and funded by extreme groups that are not based in our district. She supports socialist policies and dictatorships in Latin America, and hates our country so much that her supporters are posting photos with the American flag crossed out. And she even supports defunding the police at a time when shootings and other violent crimes are skyrocketing and our streets are growing less safe. Delia just isn't the person we want representing our district in Congress. (87 words)
